## Family donates Smith Village Rec. room

Ed Touhy Sr., a resident of Smith Village continuing care retirement community in Chicago's Beverly neighborhood, is the center of attention at the dedication there of a newly renovated recreation room donated by his daughter Mary Kay Touhy Silverman and her husband.

Guests and residents joined them at the celebration to participate in games, eat baseball park cuisine and watch a Sox game on the room's new, large flat-screen television.

Shown with them are 19th Ward Alderman Matt O'Shea (from left), Touhy's son Ed, his granddaughter Moira, and Smith Village executive director Kevin McGee.
