Every month Smith Village life plan community in the Beverly-Mt. Greenwood neighborhood of Chicago hosts an open topic discussion led by social service director-long term care Diane Morgan. Occasionally guest specialists appear to share their knowledge on their field of expertise. People who attend are encouraged to ask questions about the onset, diagnosis and care of dementia and Alzheimer sufferers. To reserve a place, please call 773-474-7300 or send an email to familyandfriends@smithvillage.org.
