Smith Village hosts annual Pet Parade

Dogs big and small paraded through Smith Village in Morgan Park on July 19 as part of the retirement community's 12th annual Dogs Days of Summer pet parade. Buehrle, an 8-year-old St. Bernard owned by Patrick Bansley, of North Beverly, took first place, and Biscuit, an 8-year-old Shih Tzu/Pomeranian mix owned by Smith Village resident Pat Conway, took second place. Bailey, a 3-year-old Goldendoodle that is owned by Smith Village Nurse Case Worker Nancy McCabe, of Oak Lawn, and is in training to become a therapy dog, took third place. According to Smith Village, 20 dogs participated. Dozens of residents cheered as the dogs were judged, including when Biscuit wore a rainbow-colored outfit and "stayed" for Conway. The event was moved indoors because of the extreme heat. (Review photos)
