CHICAGO, July 16, 2019 /PRNewswire-PRWeb/ -- [AssistedLiving.org](https://www.assistedliving.org), an industry-leading resource for finding quality assisted living options, has announced the Best Assisted Living Communities in Chicago. The research identifies 29 top facilities based on healthcare services, amenities, resident satisfaction, affordability and more.

AssistedLiving.org used a unique selection process which involved 43 hours of research, in-depth interviews with facility staff members and resident reviews. After a thorough evaluation of over 400 communities in the Chicago area, only 29 communities were approved for the final list.

"With so many options out there, AssistedLiving.org helps seniors and their loved ones find supportive communities that offer the care and services they need to live a healthy and independent lifestyle," says Christina Drumm-Boyd, certified senior advisor and geriatric care manager.

In addition to highlighting the most trusted communities, the website also offers a directory of over 400 housing facilities in the city. Users can search by city, state and zip code as well as more detailed options such as finance preferences, amenities, health services, and activities.
